

This radio station ( K-love ) supports a wholesome positive programing, for all family members. For all who listen to this station, have a better day. To have K-love on the radio station is a great benifit for the whole community, due to the fact that their are NO negative comments at all. My children can listen to this radio station, and I don't half to worrie about what their are listening to. So please think about the service that this radio station does provide. TO ALL OF US. Thank you for you time
